

ABORTION: America against God

Isaiah 58:1 (KJV) Cry aloud, spare not, lift up thy voice like a trumpet, and show my people their transgression, and the house of Jacob their sins.

MY DIARY

October 2: Today, my life began. My parents do not know it yet. I am as small as the pollen of a flower, but it is I already. I will be a girl. I will have blonde hair and blue eyes. Nearly everything is settled already--even that I shall love birds.

October 19: I have grown a little, but I am still too small to do anything by myself. My mother does everything for me, although she still does not know that she is carrying me under her heart. But I am a real person just as a crumb of bread is still real bread. My mother exists, and I do too.

October 23: My mouth is just now beginning to open. Just think--in a year or so I'll be laughing, and later I'll start to talk. My first word will be "mama."

October 25: Today my heart began to beat. It will beat softly for the rest of my life, never stopping. After many years it will tire and stop. Then I shall die.

November 2: I am growing continually. My arms and legs are taking shape, but I must wait a long time before these tiny legs will raise me to my mother's arms; before these little arms will be able to conquer the earth and befriend people.

November 12: Tiny fingers are beginning to form on my hands. How small they are. One day I'll stroke my mother's hair and tell her how nice she is.

November 20: Only today the doctor told my mother that I'm living here under her heart. How happy she must be! Are you happy, mother?

November 25: My mother and father are probably thinking about a name for me. And they don't even know that I am a little girl so they are probably calling me "Andy." But I want to be called Barbara. I am growing so big.

December 10: My hair is growing. It is as bright and shiny as the sun. I wonder what kind of hair my mother has.

December 13: My eyes are almost fully developed, although the lids are still shut. When mother brings me into the world it will be full of sunshine and overflowing with flowers. I have never seen a flower, you know, but more than anything I want to see my mother. How do you look, mother?

December 24: My fingers and toes are fully formed. Even my nails are beginning to develop.

December 26: I wonder if my mother hears the delicate beat of my heart? Some children are born with sickly hearts, and then the gentle fingers of the doctor perform miracles to make them healthy. But my heart is healthy. It beats so evenly: tup-tup, tup-tup. You shall have a healthy daughter, mother.

December 28: Today my mother killed me.

ABORTION IS killing babies before they are born.

I. Statistics in perspective:

Americans killed in the...

Revolutionary War totalled	25,324
Korean War	54,246
Vietnam War	58,655
WW I	116,708
WW II	407,316
Civil War	498,332
Abortion War	48,000,000

And we continue to lose 1.6 million Americans every year to Abortion (60 million worldwide yearly).

171 Americans/hr; 3/minute and 2 worldwide/sec.^{i[1]}

30% of all American babies are killed every year.

II. How do they kill babies?

(There are at least 6 kinds of abortion.)

A. D & C A tiny hoe is used to scrape the womb cutting the baby to pieces.

B. Suction Abortion A powerful suction tube sucks the baby into a jar in pieces.

C. Saline Abortion A long needle is inserted through the mother's abdomen and a strong salt solution is injected into the amniotic fluid surrounding the child. The salt is swallowed and absorbed into the baby burning his skin. The mother goes into labor and expels a shriveled and visibly burnt baby. Sometimes the baby is born alive writhing in pain.

D. D & E (also by D & X) (dilatation and evacuation) Forceps are used to crush the baby's head and pull out the body parts.

E. Hysterectomy or C-section The baby is killed in the uterus after major surgery.^{ii[2]}

III. Biblical Principles regarding ABORTION

A. The Unborn is a person!

Genesis 1:26 (KJV) And God said, Let us make man in our image, ...

Man is not like an animal. God made man in His own image with the ability to think.

Do you realize that Unborn babies have heartbeats in 18 days? and detectible brain waves in 40 days? AND 100% OF ABORTIONS OCCUR AFTER 49 days?^{iii[3]}

No wife in America has ever rushed in from the doctor's office and said to her husband, "Guess what! I am going to have a fetus."^{iv[4]}

Yet, pro-abortionists claim to be "removing tissue" just like your appendix--just destroying a fetus.

But the BIBLE teaches that it is more than "tissue."

Psalms 139:13 (KJV) For thou hast possessed my reins: thou hast covered me in my mother's womb.

Psalms 139:14 I will praise thee; for I am fearfully and wonderfully made: ...

Psalms 139:15 My substance was not hid from thee, when I was made in secret, ...

Psalms 139:16 Thine eyes did see my substance, yet being unperfect; and in thy book all my members were written, which in continuance were fashioned, when as yet there was none of them.

ie., vs 13---He existed in his mother's womb.

vs 15---"curiously wrought" is the same term meaning "fine needlework embroidery."

ie., the baby in the uterus is UNIQUE AND ALIVE. Otherwise, there would be no need for an abortion. We are HIS handiwork.

Job 10:8 (KJV) Thine hands have made me and fashioned me together round about; ...

Job acknowledged that God made him. So, to abort a baby is to work against GOD.

Isaiah 49:1 (KJV) Listen, O isles, unto me; and hearken, ye people, from far; The LORD hath called me from the womb; from the bowels of my mother hath he made mention of my name.

Isaiah 49:5 And now, saith the LORD that formed me from the womb to be his servant, ...

God calls his men from the womb and mentions their name. These unborn are persons already.

Jeremiah 1:4 (KJV) Then the word of the LORD came unto me, saying,

Jeremiah 1:5 Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.

God formed Jeremiah. God knew him. He was a person while unborn. God ordained him a prophet while unborn. I wonder how many preachers were killed in the 27 million babies we have killed in the past 20 years in America?

Judges 13:7 (KJV) But he said unto me, Behold, thou shalt conceive, and bear a son; and now drink no wine nor strong drink, neither eat any unclean thing: for the child shall be a Nazarite to God from the womb to the day of his death.

The UNBORN IS A CHILD--A BABY.

Luke 1:41 And it came to pass, that, when Elisabeth heard the salutation of Mary, the babe leaped in her womb; and Elisabeth was filled with the Holy Ghost:

Hey, blobs and tissue do not leap.

Exodus 21:4 (KJV) If his master have given him a wife, and she have born him sons or daughters; the wife and her children shall be her master's, and he shall go out by himself.

Exodus 21:22 If men strive, and hurt a woman with child, so that her fruit depart from her, and yet no mischief follow: he shall be surely punished, according as the woman's husband will lay upon him; and he shall pay as the judges determine.

The Old Testament Hebrew uses the same word, "yeled", to refer to a born baby OR to an unborn baby.

Luke 1:41 (KJV) And it came to pass, that, when Elisabeth heard the salutation of Mary, the babe leaped in her womb; and Elisabeth was filled with the Holy Ghost:

Acts 7:19 The same dealt subtly with our kindred, and evil entreated our fathers, so that they cast out their young children, to the end they might not live.

The New Testament Greek uses the same word, "brephos," for a born OR unborn baby. Hey, to God, the unborn child is already a human being. He is a PERSON.

B. The second principle from Scripture is:

The SANCTITY OF LIFE.

Exodus 20:13 (KJV) Thou shalt not kill.

Our civilization is built on the right to life!!

Proverbs 6:16 (KJV) These six things doth the LORD hate: yea, seven are an abomination unto him:

Proverbs 6:17 A proud look, a lying tongue, and hands that shed innocent blood,

These babies are innocent. They have done nothing wrong--certainly not worthy of death. Abortionists, the doctors, nurses, and mothers are guilty of shedding their innocent blood--- AND THE LORD HATES IT! It is an abomination (shameful, despicable).

Exodus 21:22 (KJV) If men strive, and hurt a woman with child, so that her fruit depart from her, and yet no mischief follow: he shall be surely punished, according as the woman's husband will lay upon him; and he shall pay as the judges determine.

Exodus 21:23 And if any mischief follow, then thou shalt give life for life,

MISCHIEF = HURT

Abortionists say vs 22 shows the unborn's death carries a fine while the death of the mother (vs 23) is greater and carries a death penalty. Therefore, the unborn is not a person, they say.

But examine vs 28-37. vs 29 says that if an ox kills a free man, the owner has to be killed, but vs 32 says that if an ox kills a slave, the owner has to pay a fine. Shall we conclude that slaves are not real, full persons and can be killed? NO

The true interpretation of vs 22-23 is:

two men fight, one of them hits a pregnant woman, and she prematurely delivers the baby. IF there is no hurt to the mother or to the child, then the guilty man just pays a fine. IF there is hurt or death to the mother or to the child, the guilty man pays accordingly---life for life. (AND this is only for accidental hurt but abortionists and mothers abort deliberately.)^{v[5]}

In fact baby killing is a horrendous crime that is condemned throughout scripture: Genesis 15:16; Leviticus 18:21; Deuteronomy 18:10; II Kings 16:3; 21:6.

Psalm 106:38 (KJV) And shed innocent blood, even the blood of their sons and of their daughters, whom they sacrificed unto the idols of Canaan: and the land was polluted with blood.

What do you suppose God would do to a nation that allowed the shedding of their own children's blood?

Psalm 106:40 (KJV) Therefore was the wrath of the LORD kindled against his people, insomuch that he abhorred his own inheritance.

Psalm 106:41 And he gave them into the hand of the heathen; and they that hated them ruled over them.

Psalm 106:42 Their enemies also oppressed them, and they were brought into subjection

under their hand.

AMERICA HAS SET ITSELF AGAINST GOD IN THE ABORTING OF ITS BABIES AND GOD'S JUDGMENT IS NOT FAR BEHIND.

IV. The Propaganda that abortionists use to justify their position:

A. "You're inhumane to deny abortions to women in cases of incest, rape, deformed babies, or in cases where the mother's life is jeopardized."

The truth is only 1-3% of all abortions fall in these hardship cases. 97% or more of abortions are performed for convenience AND in those 3 %, the protection of life is the higher principle.

EX. The singer, Ethel Waters, was born after her 12 yr mother had been raped.

EX. The woman "ROE" (in Roe vs Wade) said she was raped to elicit sympathy from the court and media. She later said that she had lied!^{vii[6]}

B. "But every woman is entitled to the right to choose."

Does anyone have the right to choose to kill someone else? With unlimited right to choose, should a rapist have the right to choose to rape? OR should a thief have the right to choose to steal?

Every movement of oppression and exploitation has labeled itself pro-choice---slavery, prostitution, pornography, drug dealing, abortion, alcohol, cigarettes, etc. The pro-choice position always overlooks the victim's rights.

- * The Blacks did not choose slavery.
- * The Jews did not choose the ovens.
- * The babies have not chosen abortion.^{vii[7]}

C. "The woman should have control of her body."

One CARTOON put it this way:

*1st frame: "He kissed me & I melted."

*2nd frame: "My heart pounded at his touch."

*3rd frame: "His embrace sent the blood coursing through my veins."

*4th frame: I was overcome with passion. I couldn't refuse."

*5th frame: Well, now I'm pregnant and I want an abortion."

*6th frame: "After all, a woman should have control over her body."^{viii[8]}

AND God's plan is for the woman (in those 97% of the cases) to take control BEFORE, not after conception.

D. "Everyone has the constitutional right to privacy. This is a matter between a woman and her doctor."

First, the constitution doesn't contain a right to privacy. Secondly, murder is wrong in private or public.^{ix[9]}

E. "It is best not to bring unwanted children into this world---child abuse will increase."

There are 100,000 babies released yearly for ADOPTION. 1.6 MILLION are aborted and 1.5 MILLION people are waiting to ADOPT^{x[10]} Every child is wanted and could have a home in America.

Cases of child abuse should have greatly decreased if their logic is correct. However, child abuse cases have ballooned from 167,000 in 1973 to 2.5 million in 1991.

A study of 674 abuse children in California shows that 91% came from planned pregnancies.^{xi[11]} We conclude that child abuse is not an argument for abortion. In fact, ABORTION is the ULTIMATE CHILD ABUSE.

F. "If abortion is made legal again, 10's of 1000's of women will die again from back-alley and clothes-hanger abortions." 90% of abortions were done in offices before 1973.

Bernard Nathanson admitted that he fabricated the figure that 1 million women were getting illegal abortions each year and that 5-10,000 were dying. He said, "I confess that I knew the figures were totally false---but in the morality of our revolution, it was a useful figure widely accepted..."

The truth is 98,000 sought illegal abortions and only 39 died in 1972! There are no published figures now since it is legal, but they are still dying.^{xii[12]}

G. "It is an easy painless procedure."

It is not easy, nor painless psychologically nor physically. The mother is not the only one affected: The father, the siblings, the doctor, the nurses, the grandparents, etc. all have a hand in the MURDER and after-effects.^{xiii[13]}

V. What are the ramifications of Abortion?

A. The estrangement of women from their children.

Romans 1:31 says the reprobates are without natural affection. II Timothy 3:3 says that the end-time will be characterized by folks without natural affection. It's only natural for a mother to WANT and love her children.

B. Abortion promotes immorality.

79% of abortions are performed on the unmarried (not to mention the abortions performed on immoral married women). ABORTION is an immoral solution to an immoral act (in at least 79% of the cases).

You see that the unborn baby invades these women's rights by tattling on their promiscuity (sin). 75% said, a child would interfere with their lives.^{xiv[14]}

C. The doctors are motivated by MONEY, not the woman's rights. (\$500 million business)

If a regular doctor makes \$100,000/yr in an area, an abortion doctor would make \$345,000+/yr for just 20-30 hours/wk. And consider that there is no overhead to speak of, there is no being on-call, and there is no fear of malpractice.^{xv[15]}

Additionally, there are over 101 uses for aborted babies including cosmetics and the sale of bodies. No wonder they hire and train marketing directors in how to sell abortions. Women are often not given the alternatives.^{xvi[16]}

One writer said, "Performing abortions is a doctor's dream unless it bothers him to kill babies."

D. It is a law imposed by the Supreme Court against the wishes of the majority.

A poll by the Boston Globe showed that 78% were against legalized abortion except in 3% of the cases.^{xvii[17]}

There are more women pro-lifers than men.

The National Right to Life (NRL) female membership is 7.5 million compared to only 125,000 women in the National Abortion Rights (NAR) group.

THEY HAVE CRAMMED THIS DOWN OUR THROATS!

NRL has twice as many members who have had abortions and switched, as the NAR has total members.^{xviii[18]}

E. Abortion will finally lead to Euthanasia and extermination of undesirables.

Randy Alcorn wrote that Margaret Sanger was the first president of Planned Parenthood (1920), the world's largest abortion promoter and provider. Sanger believed "Negroes and Southern Europeans were mentally inferior to natural born Americans" and that Jews and other minorities were 'feeble-minded,' 'human weeds,' and a 'menace to Society.' She argued that they should be sterilized.

The 1988 stats on abortions show that 22.5 white women/1000 have abortions while **53.7 Black women/1000 have abortions**. Additionally, the average children/American woman has dropped from 3.7 (before 1972) to 1.8 (since 1972-- legalization of abortion).^{xix[19]}

America is a dying population. Any population increases since 1972 have been due to immigration. So---Blacks and all of America are the victims of abortions.

Do you remember that Nazi Germany killed 350,000 so-called undesirables (aged, infirmed, handicapped and retarded) before they exterminated the Jews?^{xx[20]}

AMERICA IS AGAINST GOD. Jesus loves the little children. America hates them. America loves her sin, money and convenience.

VI. What can we do?

A. We must live by moral example. I Thessalonians 4:3 says that it is God's will for us to abstain from fornication. WE MUST SET THE EXAMPLE.

B. We must pray. No one else will pray for our country if Christians do not. God places this responsibility on us.

2 Chronicles 7:14 (KJV) If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

C. We must be informed (not from TV media). Know the truth. Study the Bible. Learn about abortion facts. Share them with neighbors and relatives.

D. Write Political Leaders and voice your opinion.

E. Encourage mothers-to-be to have their children.

F. Distribute Pro-Life material.

IF YOU CARE, YOU WILL DO SOMETHING. IT'S YOUR COUNTRY.
