Dear Fellow Pastor,

Allow me to introduce our church's ministry to your church---
A New VBS Curriculum.

Who we are

Mt. Zion Baptist Church in Brogue PA is an old fashioned Independent Baptist Church that stands for the fundamental Bible doctrines, personal and ecclesiastical separation, Pretribulation Rapture, Premillennial Return of Christ, and the King James (Authorized) Bible.

Why we have written this VBS Curriculum

Unsatisfied with the general trend of Baptist publishers and their commitment to marketing and profit instead of purity of the Word (KJV), doctrine, and personal standards in music and dress, we desired to write a curriculum that would preserve old fashioned Bible teachings and ways.

How the Lord led us

In 1996, Mt. Zion Baptist Church bought-out a VBS publisher. Since that time, we have reorganized the material and taught it to our children in VBS for the past three years, making many additions and changes. The result is a multi-level curriculum that will rotate every three years.

What you need to order

You can order a teacher's manual for each of your teachers and helpers and a set of pupils' worksheets for each of five age groups. We give you the permission to copy as many worksheets as you need for your VBS. After ordering all three years, you will be stocked with your worksheet masters and teacher's manuals to operate your VBS virtually FREE.

How we Print

The material is printed on our offset presses by men in our church. The colorful covers are printed in our offices. Our cost per item has been carefully calculated only to recuperate our investment.

How to Order

We are at your mercy for a donation as we are approaching this as a ministry to you. If you write and are a mission work or have fallen on hard times and still want to minister to your community youth in VBS, we will ship a copy of everything if you pay only the shipping and handling. Otherwise, we would appreciate your donation plus shipping and handling.

We cannot accept checks and do not bill for orders or take phone orders. We ask that you complete the enclosed order form and send your love gift with it. We can only accept a US Postal Money Order.

How to Ask Questions

If you have questions, call our office, ext. 5 and leave a message with your email address for our Associate Pastor's wife, Cindy. She will try to help you.

We look forward to serving you.
